

## **FLU VACCINES 2020**

We are now inviting patients Over 65 and 18-64yrs Clinically at Risk to attend for their annual flu vaccination.

Please see NHS choices web-site for full details of patients who are eligible in this cohort.

<https://www.nhs.uk/conditions/vaccinations/who-should-have-flu-vaccine/>

In order to manage this in a safe manner patients will be given specific timeframes for attendance (please see table below).

When you attend we will be working in accordance with national guidelines for social distancing and you will be required to wear a face covering. There will be a strict 'one way' system and you will be required to queue. There will be a separate entrance for you to use; this will be clearly indicated and there will also be staff available on the day to assist/direct you.

**Please Note: our car park will NOT be available for use on vaccination days.**
